

Smart Business Value Promotion

Cavalier has made its advanced Integrated T1 solution, SmartT, more affordable than ever. Your company will receive lightning fast internet connectivity and high quality local service over one highly reliable T1 connection.

- **Reliable.** SmartT is backed by Cavalier's stringent service level agreement covering network availability, network latency and packet loss. Our commitment to customer satisfaction has helped us achieve an industry leading T1 retention rate greater than 99%
- **Flexible.** Super-fast Internet connection automatically maximizes bandwidth when voice lines are idle. Easily adjust the number of voice lines as needed
- **Simple.** Comprehensive voice and data communications solution on a single connection, on one invoice, from one highly reliable provider
- **Affordable.** Critical communication services are bundled into one low, predictable monthly cost
